## Sommario/riassunto

This book offers a comprehensive examination of entrepreneurship in India's unorganized sector, shedding light on the hidden opportunities and challenges that exist within this vibrant and dynamic part of the economy. Drawing on interdisciplinary insights from entrepreneurship studies, development studies, small businesses and economics, this book provides a deep understanding of the entrepreneurial landscape in the Indian context and explores strategies for empowering entrepreneurs in the unorganized sector. Through case studies, interviews, and data analysis, it uncovers the distinct characteristics, resource constraints, and unique challenges faced by entrepreneurs in this sector, while also showcasing their innovation, resilience, and contributions to the economy. This book serves as a valuable resource for researchers interested in driving inclusive and sustainable entrepreneurship in India's unorganized sector.
