Sommario/riassunto	The book s one-of-a-kind focus on both the psychological and social impact of crime makes it an invaluable supplementary text for criminal justice and criminology courses dealing with victimization, violent crimes and the criminal justice process. Psychology courses dealing in law and crime also benefit from this text, which features discussion questions, end-of-chapter summaries, and special topic boxes. The book will also interest professionals in victims services, crime prevention, criminal justice, and social work."
