Championing the Whole Truth; 4. Serving the People; PART II: A MOVEMENT BEING BORN; 5. Born out of Crisis; 6. Mapping the Future; Conclusion; Notes; Acknowledgments; Index; About The Author
Sommario/riassunto	Out of Many, One In this era of poisonous partisanship, The Reunited States of America is a lifesaving antidote. At a time when loyalty to party seems to be overpowering love of country, it not only explains how we can bridge the partisan divide but also tells the untold story of how our fellow citizens already are doing it. This book, a manifesto for a movement to reunite America, will help us put a stop to the seemingly endless Left-Right fistfight while honoring the vital role of healthy political debate. Mark Gerzon describes how citizens all over

the country—Republicans, Democrats, and independents—are finding common ground on some of the most divisive and difficult issues we face today.
