Sommario/riassunto	<p>Audisee® eBooks with Audio combine professional narration and text highlighting to engage reluctant readers! Moose, lemmings, owls, wolves, bumblebees, and grizzly bears are some of the many animals that make up a tundra food web. But did you know that worms, beetles, mushrooms, and bacteria break down dead plants and animals into nutrients? Or that tundra animals depend on berries, seeds, and other plants to stay alive? See tundra food webs in action in this fascinating book.</p>

Sommario/riassunto

"First released in 2011, Tennessee Landscape with Blighted Pine was the debut poetry collection from Tennessee poet Jesse Graves and was awarded the 2011 Weatherford Award in Poetry from Berea College, the Book of the Year in Poetry Award from the Appalachian Writers' Association, and the Thomas and Lillie D. Chaffin Award for Appalachian Writing. The poems in Tennessee Landscape with Blighted Pine take part in many of the traditions of lyric poetry, including elegies for lost loved ones, odes to the beauty of family and the natural world, expressed through a range of poetic forms and techniques. The 10th Anniversary Edition includes twelve new poems and an introduction by Matthew Wimberley"--
