Sommario/riassunto	Bahru Zewde has updated the first edition, adding a new chapter and taking the history through to 1991. 'The new chapter enhances the value of the book as the best historical introduction to modern Ethiopia. The account of the Revolution, contained in 41 pages, is nuanced and worthy of attention in its own right... In short, the updating of an already indispensable book.' <i>Donald Crummey, Journal of Modern African Studies</i> North America: Ohio U Press; Ethiopia: Addis Ababa U Press
