Sommario/riassunto	Emperors ruled the Holy Roman Empire - didn't they have at least one woman with them? This question is answered for the first time in this book: The empress was not only present when politics was made, but as an agent she was an important player in imperial politics. Kaiser regierten das Heilige Romische Reich - hatten sie nicht wenigstens eine Frau dabei? Diese Frage wird im vorliegenden Buch erstmals beantwortet: Die Kaiserin war nicht nur dabei, wenn Politik gemacht wurde, sondern sie war als Handelnde eine wichtige Akteurin kaiserlicher Politik.
