

1. Record Nr.	UNINA9911018788903321
Titolo	Devil's Tower - Black Hills Alkalic Igneous Rocks and General Geology
Pubbl/distr/stampa	[Place of publication not identified], : American Geophysical Union, 1989
ISBN	1-118-66743-3
Descrizione fisica	1 online resource (88 pages) : illustrations
Collana	Field trip guidebook (International Geological Congress (28th : 1989 : Washington, D.C.)), T131
Disciplina	552.1
Soggetti	Alkalic igneous rocks
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di contenuto	IGC field trip T131: Devils Tower-Black Hills alkalic igneous rocks and general geology / Frank R Karner -- IGC field trip T131: geological framework of the Black Hills-Bear Lodge Mountains region / Frank R Karner -- IGC field trip T131: general geology of the Black Hills and Bear Lodge Mountains / Frank R Karner, Richard L Patelke -- Glossary of places and people of the Black Hills / Frank R Karner, Gloria A Pederson, Marilyn R Shultz -- Field guide day 1: geology of the Precambrian rocks of the Keystone region / Frank R Karner -- Field guide day 2: geology of the Precambrian rocks of the Custer region, Hot Springs Mammoth site and Wind Cave / Frank R Karner, Richard L Patelke -- Field guide day 3: geology of the Badlands region and the Mesozoic-Paleozoic rocks of Boulder Canyon / Frank R Karner, Don Halvorson, Stanley F White -- Activities guide day 4: United States Independence Day and geological and cultural features of the Deadwood region / Frank R Karner -- Field guide day 5: geology of Precambrian-Cenozoic rocks of the Deadwood-Lead region, Terry Peak, and Spearfish Canyon / Frank R Karner, Stanley F White -- IGC field trip 131: Eocene igneous activity and related metasomatic and hydrothermal events, Bear Lodge Mountains, Crook County, Wyoming / Gordon A Jenner -- IGC field trip T131: Devils Tower and the Missouri buttes / Frank R Karner, Don L Halvorson -- Field guide day 6: geology of the Devils Tower and Missouri Buttes region / Frank R Karner, Don L Halvorson -- IGC field trip T131: I-type and S-type carbonatites?

Evidence from the Bear Lodge Mountains, Crook County, Wyoming /
Gordon A Jenner -- Field guide day 7: geology of the Bear Lodge
Mountains / Frank R Karner, Gordon A Jenner, Stanley F White, Don L
Halvorson.
