

1. Record Nr.	UNINA9911018890303321
Titolo	Ciba Foundation Symposium on Medical Biology and Etruscan Origins / / editors for the Ciba Foundation, G.E.W. Wolstenholme and Cecilia M. O'Connor
Pubbl/distr/stampa	London, : J. & A. Churchill, 1959
ISBN	9780470715246 0470715243 9780470714935 047071493X
Descrizione fisica	1 online resource (296 p.)
Collana	Ciba Foundation symposium
Altri autori (Persone)	WolstenholmeG. E. W (Gordon Ethelbert Ward) O'ConnorCecilia M <1927-> (Cecilia Mary)
Disciplina	573.09375
Soggetti	Etruscans Physical anthropology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	CIBA FOUNDATION SYMPOSIUM ON MEDICAL BIOLOGY AND ETRUSCAN ORIGINS; PREFACE; CONTENTS; Chairman's introductory address; The principal cities of southern Etruria and their special characteristics; Etruscans and Umbrians; Archaeological evidence for the origin of the Etruscans; Group Discussion; From the Villanovan civilization to that of the Etruscans; Oriental characteristics of the Etruscan religion; The scientists' contributions to Etruscology; Future research on the origin of the Etruscans; Group Discussioti; Historical method and the Etruscan problem Movements of populations in Etruria since the beginning of the Roman RepublicGroup Discussion; The principle of ethnic substratum. dialects Traces of Etruscan in Tuscan; Discussion; The evaluation of metrical data in the comparison of ancient and modern bones; Discussion; The use of genetical characters as indices of population distribution; Discussion; Blood groups and haematological data as a source of ethnic information; Discussion; Distribution of blood groups in Italy; Discussion; Effect of a single gene difference on the pattern of some

physical measurements

Distribution of serum haptoglobin types in some Italian  
populationsGroup Discussion; General Discussion

Sommario/riassunto

The Novartis Foundation Series is a popular collection of the proceedings from Novartis Foundation Symposia, in which groups of leading scientists from a range of topics across biology, chemistry and medicine assembled to present papers and discuss results. The Novartis Foundation, originally known as the Ciba Foundation, is well known to scientists and clinicians around the world.
