Sommario/riassunto	Most of us have headaches at some time or other. But some people find that headaches are ruining their life. Dr Mark Forshaw is a chartered health psychologist. He shows you how your mind can influence bodily processes, making your headaches better or worse. Understanding Headaches and Migraines provides clear and practical information on all types of headache and migraine, and the sources of help and treatment available. Here you will find: * The symptoms and causes of the main types of headache. * A checklist to help you identify which type of headache you have. * Easy
