Stand to reason / Jonathan Naess -- Poem : I am / Libby Jackson -- Walking with dinosaurs / John Stuart Clark -- Poem : negatives and positives / Libby Jackson -- Poem : the heart of humankind / Mariyam Maule.

Sommario/riassunto

Voices of Experience contains a wide range of stories written by mental health survivors. The narratives illustrate how survivors have developed self-management techniques and strategies for living which, together, offer a guide to anybody struggling with 21 st century life. * Explores a wide variety of mental distress experiences, underpinned by many different explanations and beliefs * Narrative has been central to the recovery approach and this book presents stories of recovery as well as an appraisal of the concept * Challenges simplistic explanations of recovery and offers a critical angle to our understanding of what it means to experience mental health problems * Offers guidance for mental health workers and professionals within the context of current mental health policies in the UK
