## Sommario/riassunto

""...an important text for practitioners...this text is a valuable tool that develops self-inquiry skills."" Journal of Advanced Nursing Reflection is widely recognised as an invaluable tool in health care, providing fresh insights which enable practitioners to develop their own practice and improve the quality of their care. Guided Reflection: A Narrative Approach to Advancing Professional Practice introduces the practitioner to the concept of guided reflection, in which the practitioner is assisted by a mentor (or 'guide') in a process of self-enquiry,
