

1. Record Nr.	UNINA9911019284103321
Titolo	Hit and lead profiling : identification and optimization of drug-like molecules
Pubbl/distr/stampa	[Place of publication not identified], : Wiley VCH, 2009
ISBN	3-527-62744-8
Collana	Methods and principles in medicinal chemistry Hit and lead profiling
Soggetti	Drugs - Design Drugs - Structure-activity relationships Pharmaceutical chemistry Pharmacological Phenomena Biochemical Phenomena Chemistry, Pharmaceutical Investigative Techniques Physiological Phenomena Analytical, Diagnostic and Therapeutic Techniques and Equipment Chemical Phenomena Pharmacology Chemistry Phenomena and Processes Natural Science Disciplines Biological Science Disciplines Disciplines and Occupations Drug Discovery Drug Interactions Structure-Activity Relationship Health & Biological Sciences Pharmacy, Therapeutics, & Pharmacology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
