Children's rights -- 11. Children's rights in Japan -- 12. Children's rights in Korea -- 13. Children's rights in Taiwan -- 14. Children's rights in Japan, South Korea and Taiwan : comparative aspects -- 15. Conclusion.
Sommario/riassunto	Looks at the history of the introduction of human rights ideas into Japan, South Korea and Taiwan. This book examines how state and society incorporate international standards on children's and patients' rights into legal systems and social practice. It is of interest to students and scholars of Asian studies, human rights, sociology and politics.
