

1. Record Nr.	UNINA9911019327403321
Titolo	Gravimetry and space techniques applied to geodynamics and ocean dynamics
Pubbl/distr/stampa	[Place of publication not identified], : American Geophysical Union, 1994
ISBN	1-118-66664-X
Collana	IUGG Gravimetry and space techniques applied to geodynamics and ocean dynamics
Disciplina	551.46
Soggetti	Oceanography - Remote sensing Geodynamics - Remote sensing Gravimeters (Geophysical instruments) Earth & Environmental Sciences Marine Science
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
