Sommario/riassunto

How to choose cellular service wisely and become an adept cellular userKeeping in touch via cellular is increasingly vital in today's fast-paced world. The technology now boasts over 50 million subscribers, and that figure is expected to double in the next five years. Whether you are a regular user or an industry professional, The Cellular Connection, Fourth Edition helps you keep current in the field. Written in a nontechnical language by an industry insider, this new edition of a highly successful book (over a quarter million copies sold!) demystifies both service and technology, ex
