

1. Record Nr.	UNINA9911019396403321
Titolo	Pyrogens and fever // edited by G. E. W. Wolstenholme and Joan Birch
Pubbl/distr/stampa	Edinburgh, : Churchill Livingstone, 1971
ISBN	9786613620484 9781280590658 1280590653 9780470719800 047071980X 9780470717455 0470717459
Descrizione fisica	1 online resource (248 p.)
Collana	Novartis Foundation Symposia
Altri autori (Persone)	Wolstenholme G. E. W (Gordon Ethelbert Ward) Birch Joan
Disciplina	616.9/26/014
Soggetti	Pyrogens Fever
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"A Ciba Foundation symposium."
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	PYROGENS AND FEVER; Contents; Note on terminology; Chairman's opening remarks; Some physiological and clinical aspects of pyrogens; Discussion; Production, chemistry and properties of bacterial pyrogens and endotoxins; Discussion; The significant immunological features of bacterial endotoxins; Discussion; Purification of an endogenous pyrogen, with an appendix on assay methods; Discussion; Role of leucocytes in fever; Discussion; Mechanism of action of pyrogenic and antipyretic steroids in vitro; Discussion; On the mechanism of action of pyrogens; Discussion Hypothalamic mechanisms of pyrogen action in the cat and monkey Discussion; Relevance of experimental observations to pyrexia in clinical situations; Discussion; The mechanism of action of antipyretics; Discussion; Pharmaceutical aspects of pyrogens in hospital and industry; Discussion; The dilemma of quantitation in the test for pyrogens; Discussion; General discussion; Author index; Subject index

The Novartis Foundation Series is a popular collection of the proceedings from Novartis Foundation Symposia, in which groups of leading scientists from a range of topics across biology, chemistry and medicine assembled to present papers and discuss results. The Novartis Foundation, originally known as the Ciba Foundation, is well known to scientists and clinicians around the world.
