### Sommario/riassunto

Provides an insider's view of the special education process for parents and teachers This book explores the special education process-from testing and diagnosis to IEP meetings and advocating for special needs children. Step by step the authors reveal the stages of identification, assessment, and intervention, and help readers to better understand special needs children's legal rights and how to become an active, effective member of a child's educational team. Grounded in more than twenty-five years of working with parents and educators, the authors provide significant insight into wh
