Sommario/riassunto	The military has long been associated with hard power, yet it is

engaged in public diplomacy as it represents the U.S. abroad and facilitates the diffusion of ideas. Military Soft Power examines one such aspect of U.S. public diplomacy: how the United States extends its influence or "soft power" worldwide through military educational exchange programs hosted by the United States' elite military schools, its war and staff colleges. The presence of international officers at U.S. military schools is substantial, yet very little is

Sommario/riassunto

"This edition is a revised and updated consolidation of two previously published books, Deena Katz on Practice Management and Deena Katz's Tools and Templates for Your Practice. This new expanded volume includes Katz's most recently tested approaches to managing a financial practice and the latest most effective ways of communicating with clients"--Provided by publisher.
