Sommario/riassunto	offshoring opportunities is on target for today's marketplace""This book provides a much needed framework for offshoring that supports making sound business decisions in this area, and it can help guide the management of the resulting offshore relationship in an efficient and effective manner. John brings clarity and structure to this broad and complex subject.""-Jim Maloney Chief Security Executive Corillian Corporation""An extremely well-written and researched book. Starts with a good background on the political and cultural implications of offshoring and proceeds to prov
