

1. Record Nr.	UNINA9911019711003321
Titolo	Theory and practice of radiation thermometry
Pubbl/distr/stampa	[Place of publication not identified], : Wiley, 1988
ISBN	0-470-17257-6
Disciplina	681/.2
Soggetti	Radiation pyrometers Equipment and Supplies Weather Environment, Controlled Thermodynamics Radiation Electromagnetic Phenomena Environment Meteorological Concepts Atmosphere Analytical, Diagnostic and Therapeutic Techniques and Equipment Physical Phenomena Phenomena and Processes Ecological and Environmental Phenomena Environment and Public Health Delivery of Health Care Biological Phenomena Temperature Thermometers Radiation, Ionizing Physics Physical Sciences & Mathematics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
