

1. Record Nr.	UNINA9911019957503321
Titolo	Ciba Foundation Symposium on Congenital Malformations // editors for the Ciba Foundation, G.E.W. Wolstenholme and Cecilia M. O'Connor
Pubbl/distr/stampa	London, : Churchill, 1960
ISBN	9780470715277 0470715278 9780470714959 0470714956
Descrizione fisica	1 online resource (322 p.)
Collana	Ciba Foundation symposium
Altri autori (Persone)	WolstenholmeG. E. W (Gordon Ethelbert Ward) O'ConnorCecilia M <1927-> (Cecilia Mary)
Disciplina	618.3/2 618.32
Soggetti	Abnormalities, Human
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	CIBA FOUNDATION SYMPOSIUM ON CONGENITAL MALFORMATIONS; PREFACE; CONTENTS; Chairman's Opening Remarks; Malformations in a population observed for five years after birth; Discussion; Genetical causes of malformation and the search for their origins; Discussion; Chromosomal abnormality and congenital malformation; Discussion; Environmental factors in causation of congenital anomalies; Discussion; Teratogenic effects of tumour-inhibiting chemicals in the foetal rat; Discussion; The teratogenic action of the antibiotic actinomycin D; Discussion Teratogenic effects of pteroylglutamic acid deficiency in the ratDiscussion; The modification of the activity of certain agents exerting a deleterious effect on the development of the mammalian embryo; Discussion; Congenital runts; Discussion; Causes and morphogenesis of anencephaly; Discussion; Causes of congenital malformations: role of prediabetes and hypothyroidism; Discussion; The association of hydramnios with congenital malforma- tions; Discussion; General Discussion; INDEX OF AUTHORS; SUBJECT INDEX
Sommario/riassunto	The Novartis Foundation Series is a popular collection of the

proceedings from Novartis Foundation Symposia, in which groups of leading scientists from a range of topics across biology, chemistry and medicine assembled to present papers and discuss results. The Novartis Foundation, originally known as the Ciba Foundation, is well known to scientists and clinicians around the world.
