Sommario/riassunto

A decade on from its birth, emotional intelligence is attracting more attention than ever before. Why? Because of its proven connection to performance. Tomorrow's leaders will have to be facilitators who work collaboratively to help others develop their potential, and this will require emotionally intelligent skills and attitudes. Against this landscape, Applied EI provides the tools and advice needed to develop and manage a relationship with yourself and create positive relationships with others - the twin cornerstones of emotional intelligence. We're all capable of acting with emotional in
