Sommario/riassunto	A revolutionary, personalized psychotherapy approach for the treatment of Axis II personality disorders, by renowned expert Dr. Theodore MillonAcknowledging the primacy of the whole person,

Overcoming Resistant Personality Disorders: A Personalized Psychotherapy Approach takes into account all of the complexities of human nature--family influences, culture, neurobiological processes, unconscious memories, and so on--illustrating that no part of human nature should lie outside the scope of a clinician's regard. Part of a three-book series, this book provides you with a unique com
