Sommario/riassunto	Praise for Business Continuity Management: Building an Effective Incident Management Plan ""In Business Continuity Management, Blyth has once again produced a comprehensive guide to the subject.

Whether a multinational organization looking to counter the threat of global terrorism or a local business planning against loss of sensitive data, this book provides a well structured and useful guide to construction and implementation of Incident Management Plans. Blyth provides not only the theory and background to his subject but also invaluable template guidelines for man
