

1. Record Nr.	UNINA9911020151603321
Titolo	Characterization, design, and processing of nanosize powders and nanostructured materials
Pubbl/distr/stampa	[Place of publication not identified], : American Ceramic Society, 2006
ISBN	1-118-14407-4
Collana	Ceramic transactions series Characterization, design, and processing of nanosize powders and nanostructured materials
Disciplina	666
Soggetti	Ceramic powders Nanostructured materials Chemical & Materials Engineering Engineering & Applied Sciences Chemical Engineering
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
