Sommario/riassunto	It is widely-believed that China's entrepreneur has grown and their businesses are succeeding primarily due to their knowledge of the domestic market, quick adaptation to market changes, and their resourcefulness. But innovation? Forget about it.Well, not quite.Drawing on a wealth of on-the-ground stories and thorough research, Chinnovation: How Chinese Innovators Are Changing the World shows how Chinese companies of every stripe have dispelled this myth and overcome the barriers to successful, profitable innovation. How did Neil Shen, co-founder of CTRIP Ca
