#### Sommario/riassunto

Beyond Common Sense addresses the many important and controversial issues that arise from the use of psychological and social science in the courtroom. Each chapter identifies areas of scientific agreement and disagreement, and discusses how psychological science advances our understanding of human behavior beyond common sense. Features original chapters written by some of the leading experts in the field of psychology and law including Elizabeth Loftus, Saul Kassin, Faye Crosby, Alice Eagly, Gary Wells, Louise Fitzgerald, Craig Anderson, and Phoebe Ellsworth. The 14 issues add
