#### Sommario/riassunto

Praise for Pension Revolution""When Keith Ambachtsheer puts his keen  
mind to work on a problem, watch out! Here he exposes today's fragile  
arrangements for the most serious social dilemma of our times--  
financing retirement. Then he provides a compelling and powerful set  
of solutions. His writings are essential reading for all who care about  
the future of American living standards.""--Peter Bernstein, founder  
and President, Peter L. Bernstein, Inc., and author of Capital Ideas and  
Against the Gods""This book describes one of the most ingenious  
inventions in the history of ma
