Disciplina	400
Soggetti	Philology Linguistic change Collective memory Great Britain - History Languages Language Change Memory Studies History of Britain and Ireland
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Chapter 1: Introduction -- Chapter 2: The use and decline of Cornish before 1777 -- Chapter 3: Dolly Pentreath, 'a singular female' -- Chapter 4: Dr Jago's English-Cornish Dictionary -- Chapter 5: The growing influence of Jenner and Lach-Szyrma -- Chapter 6: Henry Jenner and his Handbook -- Chapter 7: Further Writings about Cornish -- Chapter 8: Survival or Revival? -- Chapter 9: Conclusion.
Sommario/riassunto	This book offers a radical re-examination of the history of the Cornish language, challenging the long-held belief that it became extinct with the death of Dolly Pentreath in 1777. Instead, it reveals compelling evidence that Cornish continued to be used throughout the 19th century, by the working class, by academics, and by those seeking to preserve the language. Exploring the research of antiquarians such as Dr. Fred W.P. Jago, Reverend Lach-Szyrma, and Henry Jenner, this book uncovers overlooked accounts of Cornish speakers and reassesses their linguistic knowledge. By tracing the language's survival beyond its

supposed extinction, the author argues that during the nineteenth century Cornish should be classified as critically endangered rather than extinct. Essential for scholars of minority languages, heritage researchers, and the Cornish language community, this book reshapes our understanding of Cornish history—proving that its story is one of resilience, not disappearance. Kensa Broadhurst is Cornish Language Lead at the University of Exeter, UK where she obtained her PhD, funded by the Cornwall Heritage Trust. Kensa is a Bard of the Cornish Gorsedh and teaches and examines Cornish for the University of Exeter and more widely within the language community.
