Sommario/riassunto	This book constitutes the workshops that were held in conjunction with the 25th International Conference on Business Information Systems, BIS 2025, which took place in Poznan, Poland, during June 25-27, 2025. This year's theme of the conference was "AI-driven business transformation: challenges and opportunities". The workshops received a total of 25 submissions from which 10 were selected for inclusion in the proceedings. Of these papers, 6 stem from the 13th Workshop on Applications of Knowledge-Based Technologies in Business, AKTB 2025, and 4 stem from the Workshop on Scientific Challenges and Business Opportunities in Sustainable Environmental Management,
