

1. Record Nr.	UNINA9911054601703321
Autore	Pathak Surajit
Titolo	MicroRNAs
Pubbl/distr/stampa	Cham : , : Springer, , 2026 ©2026
ISBN	9783032088246
Edizione	[1st ed.]
Descrizione fisica	1 online resource (919 pages)
Collana	Advances in Biochemistry in Health and Disease Series ; ; v.34
Altri autori (Persone)	Pathak
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This book describes microRNAs as relevant tools that form a new bridge in modern oncological progress between molecular insights and clinical practice.It also highlights the therapeutic applications, emphasizing their utility in personalized medicine and targeted therapies.
