 Part IV Spatial reorganization of Mediterranean tourism;
 16 Tourism, sustainable development, and the environment;
 17 From tourists to migrants: residential tourism and 'littoralization';
 18 Spatial dimensions of marine tourism: outlook and prospects;
 Epilogue New directions in Mediterranean tourism;
 19 Restructuring and strategic alliances in Mediterranean tourism
 Bibliography
 Index

Sommario/riassunto

This book comments on the complexities of Mediterranean tourism, with contributions from researchers, consultants, managers and advisors from thirteen countries. It is an excellent reference tool for undergraduate and postgraduate students, as well as industry practitioners, for the examination of tourism in different Mediterranean contexts.
