Sommario/riassunto	The Map is a practical guidebook introducing the basics of research in translation studies for students doing their first major research project in the field. Depending on where they are studying, this may be at advanced undergraduate (BA) or at postgraduate (MA/PHD) level.The book consists of ten chapters. Chapter 1 offers an overview of 12 research areas in translation studies in order to help students identify a topic and establish some of the current research questions relating to it. Chapter 2 is designed to assist students in planning their research project and covers topics su
