Sommario/riassunto	In a methodological discussion of this issue, the contributors cover a

range of topics, from ancient politics to modern ideology. The entity known as 'the Exile' has had an extremely forceful influence in Old Testament scholarship, both as an event and as a symbol. But was there an 'Exile'? And if so, how did it fit into the pattern of population deportations that characterized the imperial strategies of the ancient Near East? In a major methodological discussion of this issue, the contributors to this symposium of the European Seminar in Historical Methodology cover a range of topics, from anc
