Sommario/riassunto	Making a Difference: Stories from the Point of Care, Volume I, is the revised and updated version of the immensely successful Making a Difference book that was first published in 2000. Like the original, this book reminds nurses why they chose their profession ... and makes health care consumers glad they did! Gripping the heart, it is a compelling collection of personal experiences told by nurses around the world. The stories are woven together by the insightful observations of Sharon Hudacek, RN, EdD, and paint a true picture of how nurses impact the lives of patientsfrom the moment life begins to the moment it ends. Complete with a new cover and easier-to-read

format, the book includes a new introduction and 13 all-new stories
from the point of care.
