Sommario/riassunto	Pound seizure or pound release involves a shelter selling or giving away cats and dogs to research facilities, universities, or Class B Dealers (random source animal brokers licensed by the U.S. Department of

Agriculture) to be used for experimentation that often ends in death. This book offers an overview of the problem of pound seizure, and its history, and provides practical tips for how anyone can become an advocate to end pound seizure in their community, while protecting oneself from legal attacks from Class B Dealers and the research community. With personal stories, firsthand accounts,
