Sommario/riassunto

A Battle for Neutral Europe describes and analyses the forgotten story of the British government's cultural propaganda organization, the British Council, in its campaign to win the hearts and minds of people in neutral Europe during the Second World War. The book draws on a range of previously unused material from archives from across Europe and private memoirs to provide a unique insight into the work of the leading British artists, scientists, musicians and other cultural figures who traveled to Spain, Portugal, Sweden and Turkey at great personal risk to promote British life and thought in
