Sommario/riassunto

Long before she became the renowned author of the best-selling Schmecks cookbooks, an award-winning journalist for magazines such as Macleans, and a creative non-fiction mentor, Edna Staebler was a writer of a different sort. Staebler began serious diary writing at the age of sixteen and continued to write for over eighty years. Must Write: Edna Staebler's Diaries draws from these diaries selections that map Staebler's construction of herself as a writer and documents her frustrations and struggles, along with her desire to express herself, in writing. She felt she
