Sommario/riassunto

It is generally accepted in the West that Buddhism is a 'peaceful' religion. The Western public tends to assume that the doctrinal rejection of violence in Buddhism would make Buddhist pacifists, and often expects Buddhist societies or individual Asian Buddhists to conform to the modern Western standards of 'peaceful' behavior. This stereotype - which may well be termed 'positive Orientalism,' since it is based on assumption that an 'Oriental' religion would be more faithful to its original non-violent teachings than Western Christianity - has been periodically challenged by enthusiastic ac
