Sommario/riassunto

The testing and assessment of second language learners is an essential part of the language learning process. Glenn Fulcher's *Testing Second Language Speaking* is a state-of-the-art volume that considers the assessment of speaking from historical, theoretical and practical perspectives. The book offers the first systematic, comprehensive and up-to-date treatment of the testing of second language speaking. Written in a clear and accessible manner, it covers:

- Explanations of the process of test design
- Costing test design projects
- How to put the test into practice
- Evaluation of speaking tests
- Task
