| Sommario/riassunto      | This fascinating bibliography of source materials clearly demonstrates the significant roles blacks have played in the history and culture of Canada from its beginnings as well as their 400-year fight for equity and justice. Organized by area of endeavor and by province, the source materials detailed here reveal that blacks in Canada have created a rich, diverse, and complex legacy. This volume lists resources that point to                                                                                                                                                  |

blacks' history as soldiers, prospectors, educators, cowboys,  
homesteaders, entertainers, legislators, athletes, artists, servants, and  
writers.||The most comprehensive bib
