Sommario/riassunto	A woman of extraordinary energy, talent and versatility. Elizabeth Robins was an actress who popularised Ibsen on the British stage, a prolific and popular writer of novels and non-fiction, and an Edwardian suffragette. Her extensive circle of friends included Florence Bell, Henry James, John Masefield and William Archer. She worked with the Pankhursts and knew the Woolfs. Through examining the life and work

of this vivid and transatlantic figure born during the American Civil War yet surviving into the England of the 1950's, Angela John raises questions about the shaping of historical identity

Sommario/riassunto	The story of Captain Scott's last Antarctic expedition is one of the greatest adventure stories ever told. Captain Robert Falcon Scott, Lieutenant Henry Bowers, Petty Officer Edgar Evans, Captain Lawrence Oates, and Dr Edward Wilson all died on the return trek from the South Pole, starved and frozen, only eleven miles from a supply camp. In

November 1912, a rescue party discovered their last letters and diaries, which told a story of bravery, hardship, and self-sacrifice that. shocked the world. Recent decades have seen controversy rage over whether Scott was the last of a line of great Victor
