Nota di contenuto	Preface -- Making Work a Crime --Why Did We Come? -- Displacement and Migration -- Fast Track to the Past -- Which Side Are You On? -- Blacks Plus Immigrants Plus Unions Equals Power -- Illegal People or Illegal Work? -- Whose New World Order?
Sommario/riassunto	"For two decades David Bacon has documented the connections between labor, migration, and the global economy. In Illegal People he explains why our national policy produces even more displacement, migration, immigration raids, and an increasingly divided and polarized society. Arguing for a sea change in how we think, debate, and legislate about and around immigration, Bacon promotes a human rights perspective in a globalized world." -- Publisher description.
