An Empire of Consumption -- Afterword: The Vase of Uruk -- Tables -- Notes -- Acknowledgments -- Index
Sommario/riassunto	This elegantly written book examines the structure and impact of empires and asks whether the United States shares their traits and behavior. Charles S. Maier outlines the essentials of empire throughout history, then explores the exercise of U.S. power in the nineteenth and twentieth centuries. With learning, dispassion, and clarity, <i>Among Empires</i> offers bold comparisons and an original account of American power.
