

1. Record Nr.	UNINA9911147364903321
Titolo	Shopping for safety : providing consumer automotive safety information / / Committee for Study of Consumer Automotive Safety Information, Transportation Research Board, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1996
ISBN	1-280-21040-0 9786610210404 0-309-56285-6
Edizione	[1st ed.]
Descrizione fisica	1 online resource (168 p.)
Collana	Special report ; ; 248
Disciplina	381/.45629222
Soggetti	Automobiles - Crashworthiness Automobiles - Defects - Reporting Consumer education
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Shopping for Safety -- COPYRIGHT -- PREFACE -- NOTE -- CONTENTS -- EXECUTIVE SUMMARY -- MOTOR VEHICLE CRASH AVOIDANCE AND CRASHWORTHINESS -- CURRENT CONSUMER AUTOMOTIVE SAFETY INFORMATION -- CONSUMER DECISION-MAKING AND SAFETY INFORMATION REQUIREMENTS -- KEY FINDINGS AND RECOMMENDATIONS -- Findings -- Recommendations -- Improvements to Existing Information -- Development of Summary Measures -- Development of a Process To Stimulate Better Consumer Safety Information and Safer Cars -- BENEFITS OF CONSUMER AUTOMOTIVE SAFETY INFORMATION -- 1 INTRODUCTION AND OVERVIEW -- LEGISLATIVE CONTEXT AND SCOPE OF STUDY -- WHAT IS VEHICLE SAFETY? -- Crash Avoidance -- Vehicle Crashworthiness -- CRASH CAUSATION AND THE ROLE OF VEHICLE-RELATED FACTORS -- FEDERAL REGULATION OF VEHICLE SAFETY FEATURES -- DRIVER ATTITUDES TO CRASH LIKELIHOOD AND VEHICLE SAFETY -- INSTITUTIONAL ISSUES -- IMPLICATIONS FOR STUDY -- ORGANIZATION OF REPORT -- NOTES -- REFERENCES -- Abbreviations -- 2 CURRENT UNDERSTANDING OF MOTOR VEHICLE CRASH AVOIDANCE AND

CRASHWORTHINESS -- VEHICLE SAFETY DATA -- Engineering Data --
Biomechanics Research -- Crash Data -- Data Issues -- CURRENT
STATE OF KNOWLEDGE FROM AVAILABLE DATA -- Crash Avoidance --
Crashworthiness -- Vehicle Size and Weight -- Crash Types --
SUMMARY OF THE STATE OF KNOWLEDGE -- NOTES -- REFERENCES --
Abbreviations -- 3 CURRENTLY AVAILABLE CONSUMER AUTOMOTIVE
SAFETY INFORMATION -- SOURCES OF CONSUMER VEHICLE SAFETY
INFORMATION -- Comparative Vehicle Safety Data -- Summary
Compilations of Vehicle Safety Information -- DISSEMINATION OUTLETS
-- DEVELOPMENT OF THE NCAP STAR-RATING SYSTEM: A CASE STUDY
-- STRENGTHS AND WEAKNESSES OF CURRENT INFORMATION -- WHY
BETTER INFORMATION IS NOT PROVIDED -- MAKING BETTER USE OF
EXISTING INFORMATION -- NOTES -- REFERENCES -- Abbreviations.
4 CONSUMER DECISION MAKING, INFORMATION NEEDS, AND
COMMUNICATION STRATEGIES -- FRAMEWORK FOR UNDERSTANDING
MAJOR PRODUCT PURCHASE DECISIONS -- Information Processing
Theory of Consumer Choice -- The Decision Problem: Motive and
Relevance -- Decision Maker Attributes -- Decision Strategies --
Framing New Information -- Implications for Provision of Vehicle Safety
Information -- AUTOMOBILE PURCHASE DECISIONS AND THE
IMPORTANCE OF VEHICLE SAFETY INFORMATION -- Consumer
Understanding of Vehicle Safety Characteristics -- The Automobile
Purchasing Decision Process -- Importance of Vehicle Safety as a
Purchase Attribute -- Likely Use of Improved Safety Information --
Summary -- STRUCTURING AND COMMUNICATING VEHICLE SAFETY
INFORMATION -- Presentation of Vehicle Safety Information --
Communication of Vehicle Safety Information -- Matching
Dissemination of Vehicle Safety Information with Consumer Information
Search Strategies -- Targeting the Message -- Summary -- RESEARCH
NEEDS -- NOTES -- REFERENCES -- Abbreviations -- 5 DEVELOPING
AND COMMUNICATING NEW MEASURES OF SAFETY -- ATTRIBUTES OF
GOOD SUMMARY MEASURES -- DESIGNING EFFECTIVE
COMMUNICATIONS -- CONTENT OF COMMUNICATIONS --
Development of Summary Safety Ratings -- Reporting Safety Ratings --
GETTING THE MESSAGE OUT -- NOTES -- REFERENCES -- Abbreviation
-- 6 ORGANIZATIONAL ARRANGEMENTS -- ORGANIZATIONAL
OBJECTIVES -- INSTITUTIONAL CONCEPT AND FUNCTIONS --
ORGANIZATIONAL OPTIONS -- Attributes for Effective Operation --
Organizational Alternatives -- Option 1: Operate Through Existing
NHTSA Programs -- Option 2: Operate Through a New NHTSA Federal
Advisory Committee -- Option 3: Create a New Public-Private
Automotive Safety Institute -- Option 4: Operate Through the Private
Sector -- Option 5: Operate Through Nongovernmental Organizations
-- Conclusion -- IMPLEMENTATION STRATEGY AND NEXT STEPS.
BENEFITS OF CONSUMER VEHICLE SAFETY INFORMATION -- NOTES --
REFERENCES -- Abbreviations -- APPENDIX A WORKSHOP AGENDA AND
SPEAKERS -- INTRODUCTORY REMARKS -- SESSION 1 -- SESSION 2 --
SESSION 3 -- CONCLUDING REMARKS -- APPENDIX B CONGRESSIONAL
REQUESTS FOR CONSUMER AUTOMOTIVE SAFETY INFORMATION STUDY,
