Comfort? Sociolinguistic Transfer from Japanese into Korean as an L>_3
-- Chapter 10. New Uses for Old Language: Cross-linguistic and
Cross-gestural Influence in the Narratives of Non-Native Speakers --
Index

Sommario/riassunto

Third language acquisition is a common phenomenon, which presents some specific characteristics as compared to second language acquisition. This volume adopts a psycholinguistic approach in the study of cross-linguistic influence in third language acquisition and focuses on the role of previously acquired languages and the conditions that determine their influence.
