	Sommario/riassunto	Dominant approaches to the transformation of Europe ignore contemporary social theory interpretations of the nature and dynamics of social change. Here, Delanty and Rumford argue that we need a theory of society in order to understand Europeanization. This book advances the case that Europeanization should be theorized in terms of:globalization major social transformations that are not exclusively spear-headed by the EU the wider context of the transformation of modernity. This fascinating book broadens the terms of the debate on Euro
