Sommario/riassunto	Since first contact, Natives and newcomers have been involved in an increasingly complex struggle over power and identity. Modern ""Indian wars"" are fought over land and treaty rights, artistic appropriation, and academic analysis, while Native communities struggle among themselves over membership, money, and cultural meaning. In cultural and political arenas across North America, Natives enact and newcomers protest issues of traditionalism, sovereignty, and self-

		determination. In these struggles over domination and resistance, over different ideologies and Indian identities, neither Nati
