Sommario/riassunto

A scholarly work from leading coaching psychologists from all over the  
world that provides thoughtful analysis of group dynamics, family  
systems, and psychotherapeutic approach to family business coaching.  
The book provides both a theoretical groundwork and a practical  
application of group dynamic issues to family business coaching  
practices and will be a key reference for family businesses,  
practitioners, business coaches, researchers, postgraduate students,  
and coaching professionals.
