Sommario/riassunto	This title has ceased (2022). This bimonthly journal publishes thematic issues featuring translations of some of the most important political science articles by authors working in the Soviet successor states. Selections are drawn from both print and electronic sources, as well as from previously unpublished work. The materials selected include both articles examining the politics of the region and theoretical works of interest to the field as a whole. Each issue includes a substantive introduction to the theme by the chief editor or a guest editor who is an expert on the issue's theme.
